Subj: 10 S.C. Code Ann. Regs. 103-607 (Supp. 2013)
Telephone Utilities Providing Retail Residential Local Exchange Services

Jim,

Mitel NetSolutions, Inc. is a non-facilities based Reseller of Local Exchange and Long Distance Telecommunications Services, i.e. (wireline, wireless and VoIP), to business, commercial and governmental entities.

As such, and per the subject revised regulation, Mitel NetSolutions, Inc., does not provide residential local exchange service in South Carolina.

Based upon this fact, Mitel NetSolutions, Inc. concludes that the regulation and the requirement to file a bond does not apply.

If you should have any questions, or require additional information, please do not hesitate to contact the undersigned.
